Please answer the following questions on a separate sheet of paper. Type your answers. Do NOT go to the internet for answers but use those given in your books. Often the internet definitions may be wrong or “over your head”. Answers need to be in 8th grade vocabulary so you UNDERSTAND your answers and can discuss them if asked. Illegible and/or incomplete answers will be considered wrong. Anonymous papers (those without a name and room number) will be recycled since credit cannot be given for anonymity. You will need to return this sheet with your answer sheet in order to receive credit for your work. Be sure that your answers demonstrate your understanding of the subject matter. Read the questions carefully and answer them completely. Each part of the answer counts so be SURE you give complete answers!
